HTCI  
HEALTHCARE TRANSFORMATION  
COUNCIL OF IDAHO

## CHARGE:

Promote the advancement of person-centered healthcare delivery system transformation efforts in Idaho to improve the health of Idahoans and align payment to achieve improved health, improved healthcare delivery, and lower costs.

## FUNCTIONS:

- Promote and support transformation by identifying opportunities for innovation that will help shape the future of healthcare.
- Serve as a trusted source and a credible voice to strategically drive improvements in the healthcare delivery system.
- Serve as a convener of a broad-based set of stakeholders.
- Identify delivery system barriers that are preventing healthcare transformation and prioritize and recommend solutions.
- Promote alignment of the delivery system and payment models to drive sustainable healthcare transformation.
- Recommend and promote strategies to reduce overall health care costs.
- Utilize accurate and timely data to identify strategies and drive decision making for healthcare transformation.
- Promote improved population health through policies and best practices that improve access, quality, and the health of all Idahoans.
- Promote whole person integrated care, health equity, and recognize the impact of social determinants of health.
- Support the efforts in Idaho to provide a healthcare workforce that is sufficient in numbers and training to meet the demand.
- Promote efficiencies in the collection, measuring, and reporting of quality metrics.
